

Our Own Spirits Made Here @ The Inn

THE FUSILIER - DRY GIN

Reflecting the discipline and strength of the 21st regiment stationed at Mahogany Creek from 1837 to 1840, this gin honours their legacy. The barracks' history infuses this spirit with their footsteps, comradery and a sense of heritage. It offers a distinctively refreshing and strong taste, infused with a hint of lemon and orange peel, making this gin a great session gin.

SETTLER'S SIN - NEW WORLD GIN

The early 1800's British settlers' arrival and ensuing tense relations with Aboriginal people, this gin echoes the complex history of Mahogany Creek. It's a tribute to the area's transformation over time and the enduring spirit of all its people. It's a light floral gin, with a hint of citrus and strawberry, with a subtle hint of liquorice at the back of the palate.

APPARITION - PINK GIN

This gin captures the essence of the mysterious apparition, often seen by Mahogany Creek locals. A fleeting, elusive presence around the original Inn building, crossing back and forth into the ethereal, adding a touch of mystery and intrigue to every sip. Like the ghosts of Mahogany Inn the gin is sweet and playful. Featuring berry flavours from the strawberry gum and fresh raspberries, along with a hint of citrus.

JOE'S JUMP - VODKA

Inspired by the legendary and elusive Moondyne Joe, who's audacious spirit embodies this vodka blend. Leaping from the Inn's upstairs window to evade capture, Joe's daring jump is an enduring tale of boldness and cunning. Unlike Joe this gin is "clean as a whistle". Pure tasting, smooth, easy drinking. Neat, on the rocks, or with a mixer, you decide how best to drink this Vodka. Make your own choices like Joe
